

## DIRECT STRATEGIES: LISTENING

<b>STRATEGY GROUP:</b> Cognitive
<b>STRATEGY SET:</b> Practicing
<b>STRATEGY:</b> Repeating

One use of this strategy is repeatedly listening to native speakers of the new language on a tape or record, with or without silent rehearsal.

E.g.: Milton listens to the weather report in French every day while eating breakfast. He is now familiar with weather-related terms such as *le soleil*, *chaud*, *froid*, and *il fait beau*.
