Sports and Leisure

The University Sports Centre (CAD) offers a comprehensive range of sports and activities, striving to promote the physical and mental well-being of both our University community and the public. We strongly encourage everyone - whether you are a researcher, student, staff member, or member of the public, to get involved in our activities at the CAD. Participating is a great way to relieve stress, meet new people, and take up new and exciting hobbies, all in a safe, welcoming, and stimulating environment.
