

Universidad de Granada

Communiqué of 22/11/2020 in relation to the announcement of the extension of the Covid-19 measures

22/11/2020

University news & events

Dear members of the university community,

While we are still awaiting the official publication of the extension of the Covid-19 measures adopted by the regional Andalusian authorities, we wish to inform that the measures adopted by the UGR on 9 November will be extended until the end of the first semester, as anticipated in the session of the University Senate held last Friday.
