

Universidad de Granada

Master's degrees

University of Granada

The UGR offers an extensive selection of high-quality academic programmes with a clear international vocation. With a community of 56,000 students, approximately 23% of our postgraduate students are international. In the academic year 2020-2021, the UGR will offer over 100 master's degrees, including 9 international double degrees, 4 Erasmus Mundus programmes, 7 online degree programmes, 15 blended learning programmes, 5 bilingual programmes (Spanish-English) and 3 taught completely in English.

All official master's degrees at the University of Granada have been adapted to the European Higher Education Area (EHEA) and comprise a minimum of 60 ECTS credits, equivalent to one academic year.

The following list aims to provide you with a general overview of the master's programmes offered at the University of Granada. For more detailed information please visit the following website: [International School for Postgraduate Studies](#)
